

# OTTA

Our Otta range marries mid century modern vibes with sophisticated comfort technology to bring you a unique relaxation experience. Featuring pocket sprung seats for a supportive sit, Otta boasts a high back to cushion your neck and head, with power head tilt for customisable configuration.

This sleek range has a wide selection of options to suit your living space. Choose your favourite high quality leather and fabric colourway with selected shades featuring contrast piping.

Otta features a three seater sofa, two seater sofa and chair, all in power recline with head tilt as well as a chaise end unit in with power recline end seat, also featuring power head tilt.

A foot stool completes your living space.
