LISBON

Make a real statement in your living space with the super-stylish Lisbon range.

Lisbon offers a wealth of choice, including a three piece suite and matching accent pieces – a sleek chaise, wing chair and footstool.

Part of the Urban Attitudes collection, Lisbon is available as a static product, or a power sensor touch reclining suite. Our specially designed new reclining mechanism is hidden from view, giving Lisbon the contemporary styling of a static model, with all the benefits of a recliner.

Exclusive fabric textures and patterns, as well as our full fabric and leather collection, offer even greater choice for Lisbon.
