

Urban Attitudes

OSLO

Cool and compact, Oslo offer comfort, style and practicality all in one package.

Part of the Urban Attitudes collection, Oslo is available as a static product, or a power sensor touch reclining suite. Our specially designed new reclining mechanism is hidden from view, giving Oslo the contemporary styling of a static model, with all the benefits of a recliner.

The suite features a three seater, two seater, armchair and footstool and exclusive fabric textures and patterns, as well as our full fabric and leather collection, offer an even wider range of choices to make.
