Chair Gallery

ADAMS

Serving statement style to your living room, Adams blends on-trend mid-century vibes with La-Z-Boy comfort technology. Whether you're looking for static furniture or a smooth power recline option, Adams has it all. The discreet reclining mechanism curls out from under the chairs legs to support your feet and a storage footstool completes your room.
Take your pick from a wide range of luxurious leather or fabric colour options for your upholstery.
A storage or standard footstool completes your room.
